Civil Aviation Act 1990 and Airport Authorities Act 1966 Consultation Document 2014

Auckland Airport has reviewed the Ministry of Transport's ("Mot") Civil Aviation Act 1990 and Airport Authorities Act 1966 consultation document.

Auckland Airport appreciates the considerable effort that the MoT has put in so far in relation to this process and the opportunity that we have had to be involved in the review, including the engagement and focus group sessions run by the Ministry's officials.

The New Zealand Airport Association ("NZ Airports") has made a submission to the MoT in relation to the consultation document ("submission"). Auckland Airport is a party to and has contributed to the submission and it should be treated as if Auckland Airport also has made the submission.

If the submission raises any issues that the Ministry's officials would like to discuss further, or if there is anything else in relation to the consultation document, the submission or the Minister's consideration of the matter that Auckland Airport can assist with, please do not hesitate to contact me.

Auckland Airport intends and looks forward to being involved in the review process going forward.
